

# Sprinkler Lake Free Day Camp

Session #1 July 20-24, 2015  
Session #2 July 27-31, 2015

Sessions are from 9:00 am—3:00 pm

Bus transportation will be provided for both sessions from central locations.

*“Our Greatest natural resource is the minds of our children”*

*Walt Disney*

## What will my child experience?

Your child will experience more than you can imagine including hands-on science and one-on-one nature exploration. The focus during the camp will be:

**Grades 2 & 3—*Animal Homes and Habits***  
Campers will study, observe, compare, and do crafts and projects that relate to the homes and habits of local animals. The class will focus on mammals.

**Grades 4 & 5—*Wild Wetlands***  
Campers will study, observe, and investigate the wetland ecosystem. They will learn about and identify the plants and animals that live in and near the wetland habitat.

**Grades 6 & 7—*Sprinkler Lake Habitats***  
Campers will study and compare the physical and biological components of the forest, meadow, and wetland habitats. They will use the GPS as a tool in the field.

## Who will be on staff?

Certified teachers will be responsible for the curriculum, assisted by paraprofessionals.

Questions Please Call:  
Delynn for camp questions at  
989-739-0728x3032  
Susie for registration questions at  
989-739-0595

**The USDA Forest Service is an equal opportunity employer and provider.**

## What is Sprinkler Lake Day Camp?

Sprinkler Lake Day Camp is a summer science camp. The sessions are for students who will be in grades 2-7 in the 2015/2016 school year. The camp is hosted by the USDA Forest Service and there is no cost for either session. Lunch will be provided daily.

## Where will Sprinkler Lake Day Camp be held?

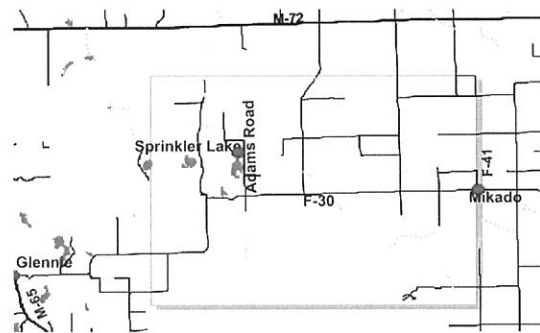

Camp will take place at the Sprinkler Lake Education Center, situated between Mikado and Glennie in the Huron National Forest. This 120 acre site has classroom facilities with a dining hall, nature trails, and an eagle's nest, all on the shores of Sprinkler Lake.
